COMMUNIQUE

Dear members and users.

As already promised we wish to inform you about the measures and protocols which PortsIB have agreed to apply in phase 1 of the plan for the normality (PTNN) approved by the Ministry of Health.

The owners of boats moored or in dry dock in our installations Will be able to access same to carry out security checks and usual maintenance; as long as they reside in that same municipality as Club Marítimo San Antonio de La Playa (Palma), complying with the following protocol established for these visits:

PROTOCOL FROM THE PREVENTION OF COVID-19 IN PHASE 0.

- One weekly visit of one hour.
- Visits Will only take place during the day.
- One person per boat.
- Proceed directly to your boat. Don't block unnecessarily common areas or pedestrian paths.
- Respect existing health rules: Maintain a social distance of 2 metres, wear a mask if you can't maintain the distance. Wear gloves if you manipulate common elements. Maintain strict hand hygiene.
- Use of showers and changing rooms is prohibited.
- At all times you must follow the indications and recommendations offered by our staff.
- The CMSAP can at any moment limit the access to its installations or a specific area of the port in order to guarantee the right capacity, so as to maintain the security distance recommended by the Health Authorities.

DRY DOCK

Activities related to the dry dock will resume progressively.

Members and clients who had already reserved a date will be contacted to organise a new reservation.

SPORT/SAILING SECTION

Doing sport is only permitted individually and outside the sport installations. Therefore all team activities such as regattas and the sailing school are cancelled ,

We will inform you at the appropriate time when these activities may be resumed .
